"Attachment theory is not formulated as a general theory of relationships; it addresses only a specific facet": how human beings respond within relationships when hurt, separated from loved ones, or perceiving a threat. Theories - Mandela Effect Which theories & explanations make the most sense? So far, the two leading theories are that we're "sliding" between parallel (or similar) realities, or that we've visited holodecks (and may be in one, right now) that have some glitches. However, those concepts are broad. I've been trying to narrow the possibilities. Online Research with Surveys and Polls | SurveyMonkey *Reach the right respondents. Need more data?
