 Sociology is the scientific study of society, patterns of social relationships, social interaction, and culture of everyday life. It is a social science that uses various methods of empirical investigation and critical analysis to develop a body of knowledge about social order, acceptance, and change or social evolution. Many sociologists aim to conduct research that may be applied directly to ... <https://en.wikipedia.org/wiki/Sociologist> Ferguson Syllabus – Sociologists for Justice  
 Ferguson Syllabus. We encourage all concerned about the injustices and inequities made evident by the recent events in Ferguson to join us as we dig deeper into understanding the multiplicity of factors that contribute to the criminalization and marginalization of black and brown communities.
