Initially, they were depicted accurately in the earliest of graphic representations by humans as organized hunters with great strength, strategies, and skills. Resurrection - Wikipedia Resurrection is the concept of coming back to life after death. In a number of ancient religions, a dying-and-rising god is a deity which dies and resurrects. The death and resurrection of Jesus, an example of resurrection, is the central focus of Christianity. As a religious concept, it is used in two distinct respects: a belief in the resurrection of individual souls that is current and ...
