The History of Education in England - Documents Archive education in England - historic reports and documents - list of full texts on this website Gates of Vienna *After being taken down twice by Blogger within a single week, we got the message: It's Time To Go. Gates of Vienna has moved to a new address: **History of education in England - Wikipedia*** The history of education in England is documented from Saxon settlement of England, and the setting up of the first cathedral schools in 597 and 604.. Education in England remained closely linked to religious institutions until the nineteenth century, although charity schools and "free grammar schools", which were open to children of any religious beliefs, became more common in the early ...
